

BUSTAFIED

Dear crew,

on the following pages you can find the requirements for our show.

If you have any questions feel free to contact Bernhard Küllinger.

office@bustafied.com

+43660/3238627

Otherwise we assume that everything is fine for you ;)

We want to thank you in advance for your support and are looking forward to work with you!

Mics, stands and cables

We provide all microphones, stands and cables which you find in the following channel-list. We split every microphone signal right before our in-ear-rack-mixer and send the signals via XLR-multicore to your stagebox.

Channel-List

channel	instrument	microphone	comment
1	bassdrum	Audix D6	
2	snare top	Sennheiser e904	
3	snare bottom	Sennheiser e904	
4	floor tom	Audix D4	
5	OH stage right	Aston Origin	Ride
6	OH stage left	Aston Origin	HiHat/Crash
7	electric bass	DI	
8	electric guitar	Sennheiser e906	
9	vocal drums (Berni)	SM58	
10	vocal bass (Zoggi)	Audix OM3	
11	vocal guitar (Lukas)	SM58	

We bring all the microphones!

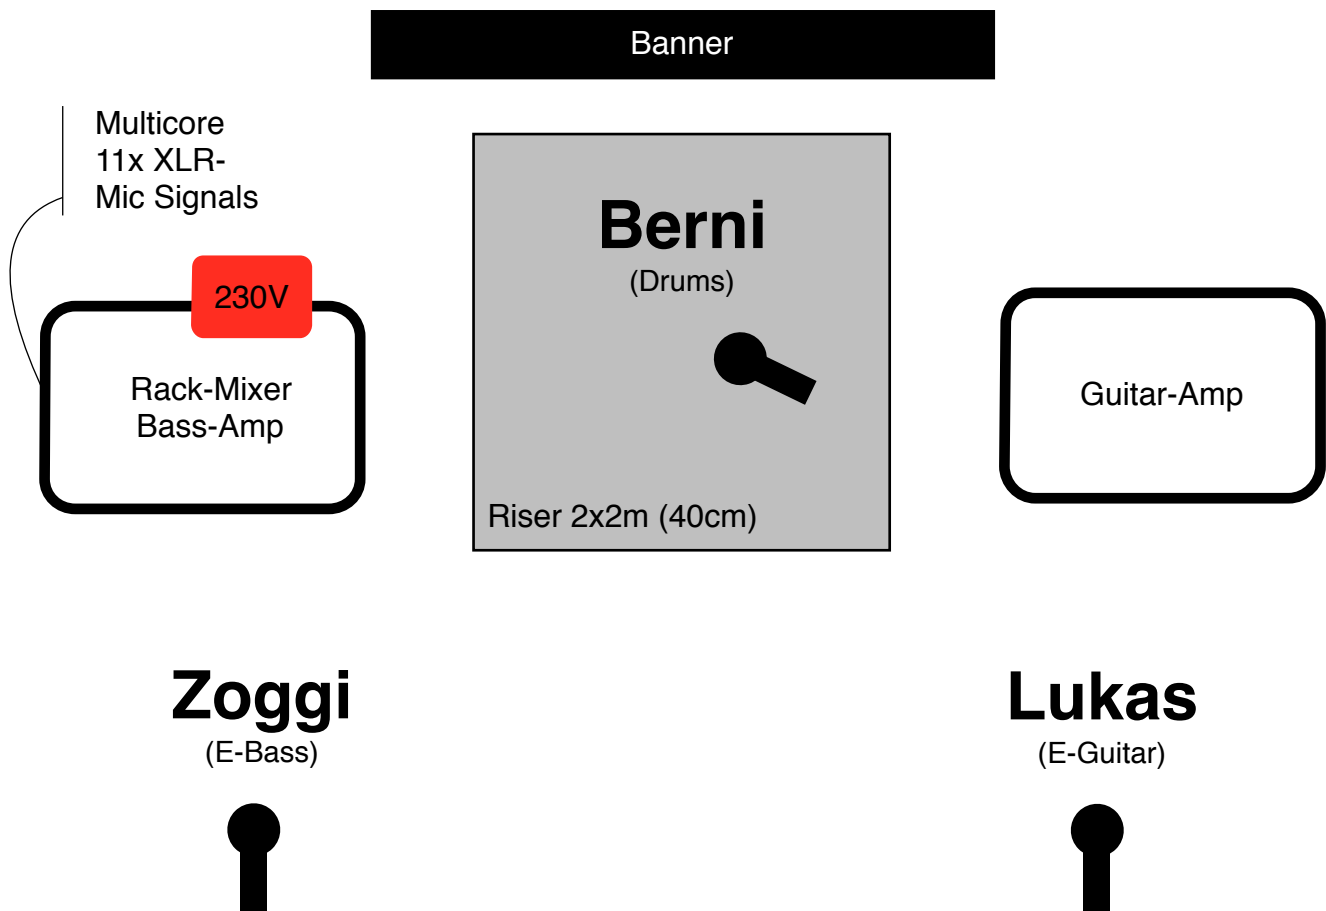

P.A.-system

We require an appropriate P.A.-system for the venue.

Lights

We would like to have proper stage lights. If you work with effect lights we would prefer a decent use of it.

Stageplot

Monitoring

We use our own wired in-ear-monitor-system and don't need any speakers on stage. Due to that we are responsible for our monitor-mixes.

Riser

We would like to have a drum riser (2x2m) with a black skirting.

Banner

Usually our banner is placed right behind the drums. We thank you in advance for helping us with the installation!

If there is any kind of projection we can send you the files for it. Please just let us know!

Merchandise

A little table in the audience area would be perfect for our shirts and CD's.

Catering and drinks

We just need some non-alcoholic drinks backstage. We would be more than happy to have three bottles of non-sparkling water on stage.

Thank YOU very much! :)

We are looking forward to meet you!
